THE CITY OF SAN DIEGO, CALIFORNIA
MINUTES FOR THE SPECIAL COMMITTEE OF THE WHOLE
OF
THURSDAY, SEPTEMBER 14, 1989
AT 2:00 P.M.
IN THE COUNCIL CHAMBERS - 12TH FLOOR

NOTICE OF SPECIAL MEETING OF THE COMMITTEE OF THE WHOLE

To Council Members Wolfsheimer, Roberts, McColl, Pratt,
Struiksma, Henderson, McCarty, and Filner, members of the City
Council of the City of San Diego, California:

A SPECIAL MEETING of the COMMITTEE OF THE WHOLE is hereby called
to be held in the Council Chambers, 12th floor City
Administration Building, 202 C St., San Diego, California, on
Thursday, September 14, 1989, and Thursday, October 12, 1989, at
the hour of 2:00 p.m.

Said meetings are for the purpose of conducting hearings to
obtain information on the proposed merger between San Diego
Gas & Electric Company ("SDG&E") and Southern California Edison
Company ("SCE"). Specifically, the Council, through the
Committee of the Whole, wishes to hear from the companies and the
public regarding the effect such merger will have upon the City,
its citizens, and the utility franchises previously granted by
the City to SDG&E. Following the hearings, the Council will
consider the record, along with other information obtained as a
result of the City's participation in proceedings on the merger
before the California Public Utilities Commission and the Federal
Energy Regulatory Commission. Thereafter, the Council will vote
on the question of whether or not (in the event the proposed
merger may ultimately be approved by those agencies and
consummated by the companies) to allow the transfer, by SDG&E to
SCE, of the electricity, gas and steam franchises granted to
SDG&E, and whether or not to allow SCE to assume the rights,
privileges and obligations of SDG&E contained in such franchise
grants.

The Committee on Rules, Legislation and Intergovernmental
Relations has previously determined that the appropriate areas
for public discussion include, but are not limited to, the
following:

- A. Record service of SDG&E to the City and the intention and
capability of SCE to carry on said service after the proposed

merger;

- B. Fairness, reasonableness and level of rates projected to be charged by SCE after the proposed merger;
- C. SCE's intention and capability, after the proposed merger, to preserve, protect and improve the natural environment of the City;
- D. SCE's intention and capability, after the proposed merger, to be a good "corporate citizen" of the City;
- E. SCE's intention and capability, after the proposed merger, to contribute to the City's economic base and its economic development; and
- F. Any other consideration deemed pertinent to the subject matter of the fact finding.

In conjunction with the hearing process, the Mayor has requested the City Attorney to render a legal opinion on the question of whether or not the proposed merger, if consummated, will result in a transfer of the electricity, gas and steam franchises granted to SDG&E. In rendering the opinion, the Mayor has requested the City Attorney to take into consideration the franchise ordinances and the requirements of the City Charter. This opinion, when rendered, will be made available to the public prior to the start of the hearings.
